

SWEDISH SAILING FEDERATION

Translation of the National prescriptions published by the Swedish Sailing Federation (SSF) in RRS 2017-2020:

Rules 30.2, 30.3, and 30.4:

When rule 30.2, 30.3, or 30.4 applies, and the race committee signal vessel is not a starting mark but is positioned on the extension of the starting line, the base of the triangle in the rule is defined by the race committee signal vessel, the extension and the starting line, to the starting mark at the other end of the starting line.

Rule 86.3

The restrictions in rule 86.1 do not apply if rules are changed to develop or test proposed rules. Such changes requires written permission from the Swedish Sailing Federation.

Appendix G2:

Unless the class rules state otherwise, other boats shall comply with this appendix except that they may use a sail number of no more than five digits.

Appendix R2.1:

For regattas in Sweden, R2.1 is deleted and replaced with: “An appeal shall be sent to the Swedish Sailing Federation (preferably by email) and shall be dated. The appeal shall arrive at SSF within 15 days after the appellant orally or in writing was informed of the protest committee’s decision. The appellant shall send the protest committee’s decision together with the appeal or as soon as possible thereafter. The appeal shall state why the appellant believes the protest committee’s interpretation of a rule or its procedures were incorrect.”

Appendix S1.1:

Competitors shall when afloat wear personal flotation devices. This rule does not apply to:

- (a) short-term replacement or adjustment of clothing or personal equipment,
- (b) when competitors are in the harbor or under deck.

Wet suits and dry suits are not personal flotation devices. This changes RRS 40. A boat that breaks this rule may be warned or penalized at the discretion of the protest committee.
