

Welcome to Zoom8 European Team Championship 2016

8th-9th October 2016, Saltsjö Boo, Stockholm, Sweden

BooSS is pleased to announce that we will arrange the Zoom8 European Team Championship 2016. BooSS is one of the largest junior sailing clubs in Sweden and the local Zoom8- class has many active Zoom8 sailors training at Baggensfjärden nearby Stockholm. We are proud to say that we have several previous Zoom8 World Champions in the club and we can offer one of the best sailing venues in Sweden. BooSS has a long and successful tradition of organizing regattas in different classes and a good reputation as well as all the necessary facilities.

BooSS is situated 2 miles east of Stockholm. You can reach Stockholm by boat from Finland, Russia or Estonia or by car from Denmark and Norway. The club has a clubhouse that provides what the sailors and race officials needs for preparation and relaxation.

Accommodation

There are several possibilities for accommodations in the Stockholm area. If your club is interested of having a low cost alternative to use a classroom for accommodation, please contact us before the 31st of June 2016. On Saturday evening there will be a common regatta dinner that is included in the entry fee.

Location

Boo Segelsällskap
Baggensvägen
132 36 Saltsjö-Boo

Sailing Area – Race zone

The racing arena is located in the north end of Baggensfjärden and offers sailing conditions out of the ordinary, with fine weather (at least most of the time) and good opportunities for the spectators to follow the races from the shoreline. There are also opportunities for launching and mooring coach and spectator boats.

For more information please contact

Event manager: Charlotte Hallquist, fysioch@gmail.com, tel +46 70 683 49 69

Race Officer: Joachim Hammersland, joachim.hammersland@gmail.com, tel +46 73 437 56 21

More information, Notice of Race, results and a lot more will be published on our website
www.booss.se

Looking forward to see you in Stockholm!
